

Hind Landscape Co.

SEO Keyword Strategy Report

Client deliverable — on-site keyword coverage

Website: <https://hindlandscaping.com>

Prepared for client review

Metric	Coverage
Total keyword phrases (approx.)	366
Primary money keywords	9
Service keyword clusters	17
Industry keyword clusters	11
Location cities / areas	25
Strategic intent / hub pages	25
Competitor comparison sets	3

Note: Keywords are implemented as dedicated pages (title, H1, body, FAQ) — not only as meta tags. Google ranks useful pages, not keyword lists alone. Competitors covered: Four Leaf Landscape, Greenstar Landscape, Dilkhush Landscaping.

Page: <https://hindlandscaping.com/vs/dilkhush-landscaping>

8. What This Means for the Client

- Client-approved service, city and industry phrases each have a dedicated page (title + H1 match).
- Competitors (Four Leaf, Greenstar, Dilkhush) are covered with comparison pages.
- Top NCR service × city intents have dedicated hubs — without thin spam pages.
- Sitemap, internal links and metadata are wired to these keywords.
- Next for stronger rankings (off-site): Google Business Profile, reviews, citations and quality backlinks.

This document is a keyword coverage report for Hind Landscape Co. Rankings depend on Google, domain authority, reviews and ongoing content — no agency can guarantee #1 for every keyword.
